# HEY THERE!

**Hey, I am Anastasia!**

**MBA | HEC Montreal | [www.movieaboutyou.com](http://www.movieaboutyou.com)**

I am a founder at Movie About You, a video production company located in Vancouver, Canada.

Think about your most important values. Mine are Freedom, Creativity, and Beauty. That is why I left my job as a marketing director and became a videographer. It was the best decision I ever made. I love every moment of my life because I can create beauty in a visual format and touch the hearts of viewers. Believe me, it is a very powerful feeling.
